**May 5, 2020**

**Attention: Municipal Clerk**

**Subject: NOTICE OF APPLICATION DEADLINE EXTENSION**  
**Municipal Engineers Association 2020 Bursary Awards Program**  
**For Children/Dependents of Municipal Employees in Ontario**

In early March of this year, the Municipal Engineers Association (MEA) advised about its 2020 Bursary Program to assist students enrolling in the first year of an Engineering Program at the University level for the upcoming 2020/2021 academic year. Up to ten (10) bursaries will be awarded to children/dependents of all municipal employees and elected councillors. The highest scoring application will receive the *John Hammer Memorial Bursary* valued at \$2,000; the balance are valued at \$1,500 each.

**As a result of the ongoing situation regarding COVID-19 and to provide students additional time to submit applications, the MEA has decided to extend the application deadline to midnight on Friday, June 5, 2020.**

Applications forms and eligibility criteria are available for download at [www.municipalengineers.on.ca/bursary](http://www.municipalengineers.on.ca/bursary).

We would appreciate it if you can make reasonable efforts to notify all your municipal employees about the application deadline submission

The MEA is a non-profit association representing the interests of municipal engineers in Ontario who are employed as professional engineers at Ontario Municipalities and other provincial agencies serving in the Engineering/Public Works field. The MEA values the contribution of all municipal employees, is committed to the continued technical excellence of our future municipal engineers, is sensitive to serving the community and the need for effective communication skills.

Should you have any question, please do not hesitate to contact the undersigned. Thank-you.

Yours sincerely,

A handwritten signature in blue ink, appearing to read "Dan Cozzi".
