Re: Proposed Murray/Flanagan Pit
Lots 3 & 4, Concession 15 & 16, (geographic Township of Egremont),
in the Township of Southgate.

Please be advised that the Township of Southgate has received the application for Official Plan and Zone Amendment concerning the above-referenced property and has accepted it as being complete for purposes of consideration and circulation. Please note that the ***Township reserves the right to ask for more information or further study about this application at a later time***.

The following file numbers have been assigned: **OPA 13**
C15/12

This project has been named "Flanagan Pit". You should be aware that there is an existing pit adjacent to this property also called "Flanagan". This pit is also in application process for an expansion. To avoid confusion, "Murray/Flanagan" has been used to refer to this application. If an alternative name is chosen, please advise us accordingly. A public meeting will be scheduled in the near future.

In review of the application, Township Staff will be conducting a site visit on the property; please be further advised that members of Council may also be conducting a site visit.

Should you require any further assistance, please do not hesitate to contact me.

Kind Regards,

Denise Whaley, M.Sc.
Municipal Planner and Economic Development Officer
