

Township of Southgate Council Meeting Highlights March 6, 2024

- Council received a delegation from resident Donald Malott pertaining to truck traffic and the rate of speed on Southgate Sideroad 11.
- Treasurer Taylor McMann presented a report on two tile drain applications received. Tile drain loans can be granted to property owners, who can access funding through their local municipality for the installation of tile drainage systems on their agricultural land for a ten-year term. Council approved the tile drain loans.
- Clerk Lindsey Green presented a report requesting Council to declare an unopened section of Southgate Sideroad 13 between Southgate Road 26 and the Artemesia-Southgate Townline as surplus for the needs of the Township.
- Council approved the 2024 Crushing Loading and Hauling 16mm Granular Material Tender to Donegan's Haulage (2010) Limited in the amount of \$476,725.
- Chief Administrative Officer Dina Lundy presented a report to Council regarding Community Development Planning. The Township has been planning multi-use facilities for several years, and collecting development charges to be used towards expansion of several facilities including public works, fire, administration, recreation and library facilities. The report outlined several steps that the Township is undertaking to continue to progress towards the development of community facilities and services due to growth and to ensure that needs of the community are determined through the strategic planning process and development charges study.
