Good morning,

Please find SNGR comments below:

With the site having archaeological potential, SNGR request a minimum stage 1 archaeology assessment. SNGR Archaeological Supervisor Tanya Hill-Montour (tanyahill-montour@sixnations.ca) will require the Archaeological Assessment Report(s) for the project for her review and comments. Any archaeology that would proceed after the stage 1 assessment we request Six Nations archaeological monitor participation.

Nya:weh / Thank You!

Sincerely,

Tierra Henhawk
