

Township of Southgate Council Meeting Highlights May 6, 2026

- Council received several reports from the Planning Department outlining proposed comments for submission to multiple Environmental Registry of Ontario (ERO) postings that may impact planning and related departmental regulations and policies. Council directed staff to proceed with submitting these comments.
- Council approved the award recommendations for the 2026 Capital Road Project tenders as follows: Culverts, Cold in Place, and Paving to Cox Construction in the amount of \$1,557,050.51 (before HST); Cold in Place and Double Surface Treatment to Cox Construction in the amount of \$397,578.00 (before HST); and Micro-Surfacing to Duncor Enterprises Inc. in the amount of \$181,110.00 (before HST).
- Council approved a grant in the amount of \$900 to the Dundalk Young at Heart Dundalk Club 561 to support a lunch-and-learn session featuring guest speakers on topics including, but not limited to, home fire safety, estate planning and wills, food bank awareness, income taxes, and financial scams. The Dundalk Young at Heart Dundalk Club promotes cognitive and physical skill development for seniors in the Southgate community.
- Clerk Green presented a report to Council following receipt of a termination notice from the Township's current Integrity Commissioner, Principles Integrity. Council directed staff to proceed with issuing a Request for Proposal (RFP) for Integrity Commissioner services, either as part of a joint procurement initiative or through an independent process.
- CAO Ellis presented a report to Council noting that the 2026 AMO Conference submission for Ministry delegations are now open. Council directed staff to request three ministerial delegations for the Ministry of Health, the Ministry of Agriculture, Food and Agribusiness and the Ministry of Education.
