Good day Shavindra,

Please find SNGR comments below:

Given the archaeological potential of the site, SNGR requests that a minimum Stage 1 Archaeological Assessment be conducted. SNGR Archaeological Supervisor, Tanya Hill-Montour, (tanyahill-montour@sixnations.ca) will require copies of all Archaeological Assessment Reports related to the project for her review and comments. Should further archaeological work be required following the Stage 1 assessment, SNGR requests the participation of a Six Nations archaeological monitor in subsequent stages.

Nya:weh! / Thank You!

Sincerely,

Tierra Henhawk
