

## **Dundalk Pool Weather Cancellation Policy**

The pool is inoperable when thunder and/or lightning is present, there is a power outage and/or when the black visibility disk becomes un-visible.

Thunder and lightning closes the facility for 30min from last thunder heard.

This applies to public swimming, lessons, rentals, and advanced courses.

### **Public Swim**

If the pool must be cleared due to weather within the first 15 minutes of the swim a refund will be issued at the front desk.

### **Lessons**

If the weather causes the facility to close lessons will be cancelled.

Group- If two lessons are cancelled a make-up date is not required. If three lessons are cancelled one will be rescheduled.

Privates- If one lesson is cancelled a make-up date is not required. If two lessons are cancelled one will be rescheduled.

### **Rentals**

If the pool must be cleared due to weather within the first 30 minutes of the rental a refund will be issued, or the rental can be rescheduled.

### **Advanced Courses**

If weather causes the facility to close advanced courses will be moved indoors to either the Pavilion or McIntyre building.
