## MEMORANDUM

**DATE:** June 2, 2026  
**FROM:** Lindsey Green, Secretary-Treasurer  
**RE:** A3-26 Stephen and Veronica Martin

---

Further to the request to defer the above noted application received on May 22, 2026, please see the following motion passed at the Committee of Adjustment at their meeting on May 27, 2026:

**Be it resolved that** Staff Report PL2026-031 regarding Minor Variance A3-26 for 185526 Grey Road 9 be received for information; and

**That** Committee defer Minor Variance A3-26 pending further planning rationale to support the requested reduction to Minimum Distance to permit a dairy barn and liquid manure storage to the Hopeville Settlement Area and that a notice be recirculated noting additional information will be pending and a variance be added regarding the number of Nutrient Units (NUs) to acres for the proposed expanding livestock operation on a Restricted Agricultural (A2) Zone.

Once the outstanding matters have been addressed, the file will be brought back to the Committee of Adjustment for further consideration.

If you require anything further, please contact this office.
