	Grand River Conservation – Call directly for details
County of Grey Municipal Review Fee	\$400.00

^{*}Contingency fee required for all Official Plan Amendment applications

^{*}Contingency fee required only for Major Zoning By-law Amendment applications

Note on fees:

It is a requirement that any potential applicant pre-consult with the Planning Department prior to submitting any planning application. For the pre consultation meeting, please provide a drawing or a sketch of your proposal, accompanied by a written description.

The application fees were adopted and approved under the Township of Southgate's fees and charges By-law and will only be accepted once the application is deemed complete by the Township of Southgate Planning Department.

All required application fees shall be paid in cash or by $\,$ cheque made payable to the Township of Southgate.

Contingency fees will be utilized to cover costs associated with this application when deemed necessary by the Township of Southgate, i.e. professional consultants and legal advice. Any portion of the contingency fee not used in connection with the review and completion of an application will be returned. The applicant further agrees to pay any additional costs and expenses beyond the initial contingency fee which shall be determined by staff of the Corporation of the Township of Southgate in the event that the amount of the initial contingency fee taken is insufficient.

Be advised that the applicant or a representative is expected to appear at any meetings (including the public meeting) to explain the proposal and answer any questions that may arise. Failure to do so may result in deferral of the application and increased costs.

(xiii)	Capacity of barn in terms of livestock:
(xiv) ab	Manure Storage facilities on other property (see storage types listed in question ove)
Additional information will be required for Minimum Distance Separation (MDS) calculations – please discuss this with Planning Staff prior to submitting your application	

Zoning amendment process

Purpose: a zoning by-law amendment is required to change a zone symbol on a property to permit expanded or different land uses on a specific property. A zoning by-law amendment may also be requested to change a zone provision (setback or similar regulation) or general provision.

Process: Discuss your proposal with the municipal planning department prior to submitting your application. Make your application to the planning department along with the required fee. A planning staff report will be prepared and a public meeting will be set. The applicant will be advised of the time and date of this meeting and invited to make representation at this time in order to explain why the zoning amendment request is being made.

You can expect a decision on your application within 150 days. This time is used to review the application, set up a public meeting, post the required public notice, draft a zoning by-law amendment and ensure that all other required documentation is in order.

At least 20 days prior to the public meeting, notice of the public meeting is either sent to every assessed property within 120 metres (400 feet) of the subject property or a notice is placed in the appropriate local newspaper. The applicant or a representative must attend the public meeting to explain why the zoning amendment is required to members of the Council and the public, as well as answer any questions that may arise.

A site plan and agreement may be required to be negotiated prior to any further proceedings of the rezoning process. Following the public meeting and if Council is satisfied with the application, an amending by-law will be considered by Council. Should the by-law be passed, a notice of passing is prepared and sent to everyone on the first mailing list or published in the newspaper. A 20 day appeal period is required to be included in this notice to allow anyone to appeal the by-law to the Ontario Municipal Board.

Should your application not be approved by Council, you also have the right to appeal to the Local Planning Appeals Tribunal within the same 20 day appeal period. More information is available by contacting the municipal planning department or on the Web at: http://elto.gov.on.ca/news/local-planning-appeal-tribunal/

If the application is approved and no appeal is filed, a notice of no appeal is prepared and sent to the applicant at which time the process is now completed. A building permit would not be available for any works associated with the by-law until the appeal period has passed and if no appeals were filed.

Zoning by-law amendment process summary

- Pre-consultation (required by By-law 66-2012)
- 2. Submit application
- Clerk sets a public meeting
 Notice sent to neighbours within 120 metres (400 feet) and various agencies,
 20 days prior to public meeting.
- Public meeting
 Applicant and/or agent should attend to resolve any potential concerns.
 Council will consider the proposal and may pass a by-law that meeting.
- Appeal period
 After a Notice of Passing for the by-law amendment is sent to neighbours within 120 metres (400 feet) and agencies, 20 day appeal period begins.
- Decision final
 If not appeal is filed with the Township within the appeal period, the process is complete and the zoning by-law amendment is in full force and effect.
