[EXTERNAL EMAIL]

Good afternoon,

I am writing on behalf of the Saugeen Ojibway Nation Environment Office regarding application 42-07-090-OPA-31 (772082 Highway 10 Inc.). Our team has completed a preliminary review of the supporting documents.

We have determined that a full technical review of the development proposal is required. This review will encompass archaeology, terrestrial ecology, and hydrogeology. We will prepare a Letter of Agreement (LOA) next week and forward it to you once it is finalized.

In the meantime, please let us know to whom the invoices should be addressed. Please feel free to reach out if you have any questions.
