Note to the user

The Ontario Ministry of Agriculture, Food and Agribusiness (OMAFRA) has developed this software program for distribution and use with the Minimum Distance Separation (MDS) Formulae as a public service to assist farmers, consultants, and the general public. This version of the software distributed by OMAFRA will be considered to be the official version for purposes of calculating MDS. OMAFRA & Cleon Martin are not responsible for errors due to inaccurate or incorrect data or information; mistakes in calculation; errors arising out of modification of the software, or errors arising out of incorrect inputting of data.

All data and calculations should be verified before action on them. These calculations are provided to the municipality as a courtesy and do not exempt the municipality from responsibility.

— This site plan is to depict location of building and spatial separations to confirm compliance to requirements of the Ontario building code and MDS guideline and does not replace a legal survey.
