Explanatory Note

This by-law rezones part of the land at 045663 Southgate Road 04 to permit a proposed 675 square metres dry industrial shop as an On Farm Diversified (OFDU) use with 75 square metre power room and 350 square metres of associated outside storage. The OFDU is permitted secondary to the primary agricultural use, which will include a new farmhouse, livestock barn, horse barn, and shed. Regulations limit the OFDU zoned area to 7,728 square metres with a 100 metre maximum setback from the front lot line and a 265 metre minimum setback from the east lot line. A 2.0 metre minimum landscaped buffer is also required to screen the OFDU.

The effect the zoning by-law amendment is to rezone part of the site from Agricultural 1 (A1) to an Agricultural-1 Exception 582 (A1-585) Zone to allow the OFDU.

The Township Official Plan designates the property as Agricultural and Hazard Lands.
