Explanatory Note

This zoning by-law amendment implements County Official Plan Amendment 26 and Township Official Plan Amendment 7 for lands located at 185673 Grey Road 9, Concession 13, Lot 18. The Official Plan Amendments permit Ridgeview Lumber an approved on-farm diversified use to expand its operating area to 2.25% of the lot area to a maximum 9,300 square metres, permit a maximum floor space of 1,123 square metres, and storage of 1,805 square metres maximum. The new policies limit the permitted on-farm diversified use of the site to retail sale of lumber and associated construction material secondary to agricultural.

The rezoning by-law replaces the original permitted uses and requirements in the A1-530 zone approved in By-law 2022-137. Permitted uses are limited to contractors' yard and retail sale of lumber and associated construction material. Manufacturing or processing uses previously allowed under the A1-530 zone are no longer permitted. The by-law will also add a 14 metre by 93 metre piece of land to the east of the existing A1-530 zoned area, permit a maximum floor space of 1,123 square metres, and storage of 1,805 square metres maximum. The rezoning will not impact EP zone boundaries identifying potential hazard lands on-site.

The lands are designated Rural and Hazard Land in the Township Official Plan. The proposed zoning by-law amendment will be in full force and effect on the date of passage once the Township Official Plan Amendment 7 has been approved by the County, and County Official Plan Amendment 26 is final.
