The Purpose of the application is to rezone the subject lands from a Residential Type 3 Zone to a new Residential Type 3 Zone with a site-specific exception to permit development of townhouses. This is a revised proposal for an application subject to a public meeting September 24, 2025.

The Effect of the revised proposal and proposed amendment would be to continue the rezoning process to permit development of townhouses.

If rezoning proceeds the applicant intends to ask Grey County to allow an exemption to the standard Plan of Condominium process under the Planning Act. The effect would be to allow ownership of shared and individual amenities to be assigned across the site. Site Plan and other provisions of the Planning Act would still apply.
