Good morning Victoria.

Thank you for providing the Pre-Consultation Form with additional information required. I can advise as follows:

- There are no livestock buildings on the proposed severed or retained lands.
- The frontage of the proposed retained lands is 33m+/- . I did notice that the area of the proposed severed and retained lots are switched in the application – the area of the proposed severed lands is 2.29Ha+/- and the retained lands 19.41Ha+/-
- The Farm Registration Number is 4285607

If you require anything further, please advise.
