Hello,

We are in receipt of your Application for Consent, B12-25 dated 2026-02-17. We have reviewed the documents concerning the noted Plan and have no comments or concerns at this time. Our preliminary review considers issues affecting Hydro One's 'High Voltage Facilities and Corridor Lands' only.

For proposals affecting 'Low Voltage Distribution Facilities' the Owner/Applicant should consult their local area Distribution Supplier. Where Hydro One is the local supplier the Owner/Applicant must contact the Hydro subdivision group at subdivision@Hydroone.com or 1-866-272-3330.

To confirm if Hydro One is your local distributor please follow the following link: [Stormcentre \(hydroone.com\)](https://stormcentre.hydroone.com).

Please select "Search" and locate the address in question by entering the address or by zooming in and out of the map.

The screenshot displays the Hydro One Stormcentre interface. At the top right is the Hydro One logo. Below it is a navigation bar with 'MENU', 'HELP', and 'SEARCH' icons. A filter bar shows 'Customers Affected' with color-coded markers for ranges: >5000 (red), 501-5000 (orange), 51-500 (green), 21-50 (blue), and <=20 (purple). There are also icons for 'Crew' and 'Service Area'. The main map shows the Great Lakes region with several purple markers indicating service areas. Navigation controls like zoom in (+), zoom out (-), and a search icon are visible on the left. The Google logo and 'Map data ©2019 Google' are at the bottom left, and 'Satellite' and 'Report a map error' are at the bottom right.

If you have any further questions or inquiries, please contact Customer Service at 1-888-664-9376 or e-mail CustomerCommunications@HydroOne.com to be connected to your Local Operations Centre

If you have any questions please feel free to contact Land Use Planning.

Thank you,
