**Re: Official Plan Amendment and Zoning By-law Amendment Application
1st Submission
Part of Lot 234 Concession 2 (Southwest of the Toronto Sydenham Road),
Geographic Township of Proton, Now in the Township of Southgate, County
of Grey
Briarwood Homes Residential Development**

On behalf of Briarwood (Dundalk) Ltd., Innovative Planning Solutions is pleased to submit an application for an Official Plan Amendment (OPA) and a Zoning By-law Amendment (ZBA) for the property legally known as Part of Lot 234 Concession 2 (Southwest of the Toronto Sydenham Road), Geographic Township of Proton, Now in the Township of Southgate, County of Grey ("subject lands"). The property does not currently have a municipal address.

The intent of the proposed OPA and ZBA applications is to amend the Township of Southgate Official Plan and Zoning By-law to permit a three-storey residential apartment/condominium development on the subject lands. A Draft Plan of Condominium is also required to permit the proposed development and will be submitted at a later date. The subject requests will be processed by the Township of Southgate while the Draft Plan of Condominium will be processed by the County of Grey.

The proposed development consists of four (4) three-storey multi-family residential buildings. Parking is proposed above and below grade. Of the four buildings, three (3)

are proposed to be for-sale condominium units while one (1) is proposed as purpose-built rental apartment units.

The lands are currently designated '*Primary Settlement Area*' by the County of Grey Official Plan and '*Future Development*' and '*Hazard Lands*' by the Township of Southgate Official Plan. The proposed development complies with the County Official Plan but an Official Plan Amendment is required to the Township Official Plan. The proposed land use designation is '*Neighbourhood Area*' for the developable portion of the property only.

The subject lands are currently zoned '*Restricted Agriculture (A2)*' and '*Environmental Protection*' by the Township of Southgate Zoning By-law. A Zoning By-law is required to permit the proposed development. The requested zoning is '*Residential Type 4 (R4)*,' which would apply to the developable portion of the property only.

The attached Requirements Table outlines the supporting documents included with the application.

We look forward to the circulation and review of this application. Should you have any further questions or comments, please do not hesitate to contact the undersigned.

Respectfully submitted,
Innovative Planning Solutions

A handwritten signature in black ink that reads "Dafne Gokcen". The script is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.
