Re: Site Plan Application
Parts 1, 2,3 Plan 16R-11514

Dear Victoria:

Enclosed please find the materials for our next submission on this application. These materials include:

- Response matrix
- Site Plan
- Civil drawings
- Storm water management report

At this point I have not submitted the landscape plan but will do so as soon as the grading design is approved.

I trust this to be in order. If there is any further information that you require, please do not hesitate to contact me.

Yours very truly,

RIEPMMA CONSULTANTS INC.
